September 9, 2025

# Public Information Centre
# Help Shape the Future of Windsor's Central Library!

The Windsor Public Library Board wants to hear from you.

It's been nearly a decade since we first asked for your input on a permanent home for the Central Library Branch. Since then, we've moved into the historic Paul Martin Building, navigated a global pandemic, and expanded our hours to serve you seven days a week.

Now, while the Paul Martin Building's new owners prepare for their exciting transformation, it's time to plan for **our** next chapter, and we want you to be part of it.

| | |
|---|---|
| **What**: | Public Information Centre for<br>New Central Library Layout and Amenity Options |
| **Where**: | Windsor International Aquatics and Training Centre Lobby,<br>401 Pitt Street West |
| **When**: | Tuesday, September 23, 2025<br>5:00 p.m. to 7:00 p.m. |

This is a drop-in PIC where **display boards will showcase three unique layouts and amenity options to be considered for when a future location is determined.** Library leadership and architects will be on hand to gather input and answer questions, but no presentations will be made. All materials, including a survey, will also be available online. **The survey will be live at windsorpubliclibrary.com from September 23, 2025, to October 5, 2025**.
